

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 13, 1995

SUBJECT: **HB 694 - SB 1164**

This bill, if enacted, requires all cable systems to be franchised in the same manner that cable companies are franchised. The bill also redefines cable service to mean the transmission to subscribers of any video by a cable system including video.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government revenue from franchise fees collected to the extent more companies offer cable in an area and more households subscribe to cable. A reasonable estimate of this increase cannot be determined but is estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
